

Away From The Sun by Three Doors Down

It's down to this
I've got to make this life make sense
Can anyone tell what I've (1)
I missed a life
I missed the colors of the world
Can anyone tell where I am
'Cause now again I found myself so far down
Away from the sun that shines onto the darkest place
I'm so far down (2) from the sun (3)
Away from the sun again
I'm over there
I'm tired of living in the (4)
Can anyone see me down here
The feeling's gone
There's (5) left to lift me up
There's (5) left to lift me up Back into the (6) I know
Back into the (6) I know
Back into the (6) I know 'Cause now again I found (7) so far down
