# Fill in the gaps

## Love the way you lie by Rihanna & Eminem

(Rihanna)

(1)_____ gonna stand there

and watch me burn

But that's alright

Because I like the way it hurts

Just gonna (2)_____ there

And hear me cry

But that's alright because I (3)_____ the way you lie

I love the way you lie

I love the way you lie

(Eminem)

I can't tell you what it really is

I can only tell you what it feels like

And right now there's a steel knife in my windpipe

I can't (4)_____ but I still fight

While I can fight

As long as the (5)_____ feels right

It's like I'm in flight

High of a love

Drunk from the hate

It's like I'm (6)_____ paint

And I love it the more that I suffer

I suffocate

And right before I´m about to drown

She resucitates me

She fucking hates me and I love it

Wait

Where you going

I'm leaving you

# Fill in the gaps

No you ain't

Come back

We're running right back

Here we go again

It's so insane

Cause when it's going good

It's going great

I'm (7)_____ (8)_____ the wind in his bag

She's Lois Lane

But when it's bad it's awful

I feel so ashamed

I snap

Who's that dude

I don't even know his name

I laid hands on her

I'll never stoop so low again

I guess I don't know my own strength.

(Rihanna)

Just gonna stand there

and watch me burn

But that's alright

Because I (9)_____ the way it hurts

Just gonna stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

You ever love (10)_____ so much

You can barely breathe

# Fill in the gaps

When you're with them

You meet

And neither one of you even know what hit 'em

Got that warm fuzzy feeling

Yeah them chills

Used to get 'em

Now you're (11)_____ (12)_____ sick

Of looking at 'em

You swore you've never hit 'em

Never do nothing to hurt 'em

Now you're in each other's face

Spewing venom

And these words

When you spit 'em

You push

Pull each other's hair

Scratch, claw, bit 'em

Throw 'em down

Pin 'em

So lost in the moments

When you're in 'em

It's the rage that took over

It controls you both

So they say it's best

To go your separate ways

Guess that they don't know you

Cause today

That was yesterday

Yesterday is over

It's a different day

# Fill in the gaps

Sound like broken records

Playin' over

But you promised her

Next time you'll show restraint

You don't get another chance

Life is no Nintendo game

But you lied again

Now you get to (13)_____ her leave

Out the window

Guess that's why (14)_____ call it window pane

(Rihanna)

Just (15)_____ stand there

and watch me burn

But that's alright

(16)_____ I (17)_____ the way it hurts

(18)_____ gonna stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

Now I know we said things

Did things

That we didn't mean

And we fall back

Into the same patterns

Same routine

But your temper's just as bad as mine is

You're the same as me

But when it comes to love

# Fill in the gaps

You're just as blinded

(19)_____ please come back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as (20)_____ as it seems

Maybe that's what happens

When a tornado meets a volcano

All I know is

I (21)_____ you too much

To walk away though

Come inside

Pick up your bags off the sidewalk

Don't you hear sincerity

In my voice when I talk

(22)_____ you this is my fault

Look me in the eyeball

Next time I'm pissed

I'll aim my fist at the dry wall

(23)_____ time

There will be no (24)_____ time

I apologize

Even (25)_____ I know it's lies

I'm tired of the games

I just (26)_____ her back

I know I'm a liar

If she ever tries to fucking leave again

I'mma (going to) tie her to the bed

And set the (27)_____ on fire

(Rihanna)

# Fill in the gaps

Just gonna stand there

and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I (28)_____ the way you lie

# Fill in the gaps

## Answer

1. Just
2. stand
3. love
4. breathe
