Fill in the gaps

Somebody I used to know by Walk off the Earth

Now and then I think of when we were together
Like when you said
you felt so happy you could die
I told (1)_____ that you were right for me
But felt so lonely in (2)_____ company
But that was love and it's an ache I still remember
You can get addicted to a certain kind of sadness
Like resignation to the end
Always the end
So when we found that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad that it was over
But you didn't have to cut me off
Make out like it never happened
And that we were nothing
And I don't even need your love
But you treat me like a stranger
And that feels so rough
No you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now and then I think of all the times you (3)_____
me over
But had me believing
it was always something that I'd done

But I don't wanna live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you (4)_____ up on somebody
that you used to know
But you didn't have to cut me off
Make out like it never happened
And that we were nothing
And I don't even need (5)_____ love
But you (6)_____ me like a stranger
And that feels so rough
No you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess (7)_____ I don't (8)_____ that though
Now you're (9)_____ somebody that I used to know
Somebody
I used to know
Now you're (10)_____ somebody that I used to know
Somebody
I used to know
Now you're just somebody that I used to know
I used to know
That I used to know
I used to know
Somebody
