# Fill in the gaps

## Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
We are twelve billion light years from the edge
That's a guess
No one can ever say it's true
But I know that I (1)_____ always be with you
I'm (2)_____ by the fire of your love everyday
So don't call me a liar
Just believe everything that I say
There are six billion people in the world
More or less
And it makes me feel quite small
But you're the one I love the (3)_____ of all
We're high on the wire
With the world in our sight
And I'll (4)_____ tire
Of the (5)_____ that you give me every night
There are nine (6)_____ bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the (7)_____ that I will love you till I die
And there are nine million bicycles in Beijing
And you know that I (8)_____ love you till I die
