Fill in the gaps

Candles by Daughter

That boy, take me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a (1)_____ name on a (2)_____ card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I bite my tongue and torch my dreams
Have a (3)_____ voice to speak with
And a (4)_____ of thoughts and secrecy
Things cannot be reversed, we learn from the times we are cursed
Things cannot be reversed, learn (5)_____ the ones we fear the worst
And learn from the ones we hate the (6)_____ how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed
Cause we (7)_____ know I'll never be your lover
I only bring the heat
Company (8)_____ cover
Filling space in your sheets
Well I'll never be a lover
I (9)_____ bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please just blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
It's just a (10)_____ heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Fill in the gaps

Answer
