Welcome To My World by Depeche Mode

Welcome to my world
Step right through the door
Leave your tranquilizers at home
You don't need them anymore
All the drama queens are gone
And the devil got this made
He backed up and fled this town
His master plan delayed
And if you stay a while
I'll penetrate your soul
I'll bleed into your dreams
You want to lose control
I weep into your eyes
I (1)_____ your vision see
I'll open (2)_____ (3)_____
And right your broken wings
Welcome to my world
Welcome to my world
Welcome to my world
Watch the sunrise set
And the (4)_____ begin to blush
And make it in a search
Translucently too much
And I hold you in my arms
I keep you by my side
And we sleep the devil's sleep
Just to keep him (5)_____
And if you stay a while
I'll penetrate your soul
I'll bleed into your dreams
You want to lose (6)_____
I (7)_____ (8)_____ your (9)_____
I make your vision see
I'll open endless skies
And right (10)_____ broken wings
Welcome to my world
