Spaceman by The Killers

It started with a low light
Next thing I knew (1)_____ ripped me from my bed
And then (2)_____ took my blood type
They left a (3)_____ impression in my head
You know that I was hoping
That I (4)_____ (5)_____ this star-crossed world behind
But when they cut me open
I (6)_____ I (7)_____ my mind
And you know I might
Have just flown too far (8)_____ the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says (9)_____ look down
Its all in your mind
Well now I'm back at home and
I'm looking forward to this life I live
You know it's (10)_____ haunt me
So (11)_____ to this life I give
You (12)_____ you might cross over
You caught between the devil and the (13)_____ blue sea
You better look it over
Before you (14)_____ that leap
And you know I'm (15)_____ but I (16)_____ those (17)_____ at night
Sometimes... they justify my claim
And the public don't dwell on my transmission
'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman (18)_____ everybody look down
It's all in your mind
The star maker says it ain't so bad
The dream maker's gonna (19)_____ you mad
The spaceman (20)_____ everybody look down
Its all in your mind

I'm fine
But I hear (22)_____ voices at night

Its all in your mind
The (24)_____ maker says It ain't so bad
The dream maker's gonna make you mad
