Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You (1)_____ on a mission
Then our (2)_____ combined like
A neutron (3)_____ collision
I have nothing left to lose
You took your time to choose
Then we told each other
With no (4)_____ of (5)_____ that...
Our love (6)_____ be forever
And if we die, we die together
And lie, I (7)_____ never
'Cause our love would be forever
The world is broken
Halos (8)_____ to glisten
You try to (9)_____ a difference
But no one (10)_____ to listen
Hail, the preachers, (11)_____ and proud
Their doctrines will be cloud
Then they'll dissipate
Like (12)_____ in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our (13)_____ could be forever
Now I've got (14)_____ (15)_____ to lose
You take your (16)_____ to choose
I can (17)_____ you now without a (18)_____ of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our (19)_____ will be forever

Fill in the gaps

Answer
