Fill in the gaps

Miami by Will Smith

(Yeah, yeah, yeah, yeah)

Miami

South Beach, bringing the heat

Can you all feel that

Can you all feel that

Jig it out

Here I am in the place where I come let go

In Miami the base and the sunset low

Everyday like a mardi gras everybody party all day

No work all play okay

So we sip a little something lay the rest the spill

Me and Charlie at the bar running up a high bill

Nothing less than I'll when we dress to kill

Everytime the ladies pass, they be like (hi Will)

Can you all feel me, all ages and races

Real sweet faces, every different nation

Spanish, Haitian, Indian, Jamaican

Black, White, Cuban, and Asian

I only came for two days of playing

But every time I come I always wind up staying

This the type of town I could spend a few days in

Miami the city that keeps the roof blazing

Party in the city where the heat is on

All night on the beach till the break of dawn

Welcome to Miami (bienvenido a Miami)

Bouncing in the club where the heat is on

All night on the beach till the break of dawn

I'm going to Miami (welcome to Miami)

(Yo) I heard the rainstorms ain't nothing to mess with
