Fill in the gaps

Ours by Taylor Swift

Elevator buttons and morning air
Stranger's silence makes me wanna take the stairs
If you (1)_____ here
We'd laugh about their vacant stares
But right now, my time is theirs
Seems like there's always someone who disapproves
They'll judge it like they know about me and you
And the verdict comes from those with nothing else to do
The jury's out, but my choice is you
So don't you worry your pretty little mind
People (2)_____ rocks at (3)_____ that shine
And life makes love look hard
The stakes are high, the water's rough
But this love is ours
You never know what people have up their sleeves
Ghosts from your past gonna jump out at me
Lurking in the (4)_____ with their lip gloss smiles
But I don't care 'cause right now you're mine
And you'll say don't you worry your pretty little mind
People throw rocks at things that shine
And life makes love look hard
The stakes are high, the water's rough
But this love is ours
And it's not theirs to speculate if it's wrong and
Your hands are though
But they are where mine belong in
I'll fight their doubt and give you faith
With this song for you
'Cause I love the gap between your teeth
And I (5)_____ the riddles that you speak
And any (6)_____ remarks from my father
About your tattoos (7)_____ be ignored
'Cause my heart is yours
So don't you worry your pretty little mind
People throw rocks at (8)_____ that shine
And life makes love look hard
Don't you worry (9)_____ pretty little mind
People throw rocks at things that shine
But they can't take what's ours
They can't take what's ours
The stakes are high, the water's rough
But this love is ours
