Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me (1)_____ it was you

I made you (you) (2)_____ (yeah)

Now it's so (now it’s conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start (3)_____ you're playing

Around it would (4)_____ been fine

It would (5)_____ been fine

Then I would have played too and I guess

I would have had a (6)_____ time...

If you'd told me from the start that you're playing

Around it would have (7)_____ fine...

Then I would have (8)_____ too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me (9)_____ it

Fill in the gaps

Why would you (10)_____ me so (11)_____ pain

I would stil love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so (12)_____ on those lonely nights

(On (13)_____ lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me (14)_____ the start that you're playing

Around it would have been fine

It would have been fine

Then I would have (15)_____ too and I guess

I would have had a good time

I would have had a good time

If you'd told me from the start that you're playing

Around it would have been fine

It would have (16)_____ you baby

Then I (17)_____ have played too and I guess

I would have had a good time

If you told me

Then I would have played too and I guess
