Fill in the gaps

Lovers On The Sun by David Guetta

Let's light it up, let's light it up
Until our hearts catch fire
Then show the world a burning light
That never shined so bright
We'll find a way, we'll find a way
To keep the cold night
From breaking in over the walls
Onto the (1)_____ side
The hunger satisfied
We're burning up
We (2)_____ as well be lovers on the sun
We might as (3)_____ be lovers on the sun
We might as (4)_____ be lovers on the sun
We'll never know, we'll (5)_____ know
What stands behind the door
But I got a feeling
It's a feeling that's worth dying for
Just close your eyes
And hold your breath
Because it (6)_____ right
We'll keep it moving
Until we make it to the other side
And let's enjoy the ride
We're burning up
We might as (7)_____ be lovers on the sun
We might as well be lovers on the sun
We might as well be (8)_____ on the sun
Let's light it up, let's light it up
Until our hearts catch fire
Then show the world a burning light
That never shined so (9)_____
