

## Fill in the gaps

### Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together  
Like (1)\_\_\_\_\_ you said you felt so happy you could die  
Told myself that you were right for me  
But felt so lonely in your company  
But that was (2)\_\_\_\_\_ and it's an ache I still remember  
You can get addicted to a certain kind of sadness  
Like resignation to the end, always the end  
So, when we found (3)\_\_\_\_\_ we could not make sense  
Well, you said that we would still be friends  
But I'll admit that I was glad that it was over  
But you didn't have to cut me off  
Make out like it never happened and that we were nothing  
And I don't even need your love  
But you treat me like a stranger and that feels so rough  
No, you didn't have to stoop so low  
Have (4)\_\_\_\_\_ friends collect your (5)\_\_\_\_\_  
and then (6)\_\_\_\_\_ your number  
I guess that I don't need, (7)\_\_\_\_\_ though  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now and then I think of all the times you screwed me over  
But had me believing it was always something that I'd done

But I don't wanna live that way, reading into every word you say  
You said that you could let it go  
And I wouldn't catch you hung up on somebody that you used to know  
But you didn't have to cut me off  
Make out like it never happened and that we were nothing  
And I don't even need your love  
But you treat me like a stranger and that feels so rough  
No, you didn't have to stoop so low  
Have (8)\_\_\_\_\_ friends collect your records and then change your number  
I guess (9)\_\_\_\_\_ I don't need, that though  
Now you're just somebody that I used to know  
Somebody, I used to know  
Somebody, now you're just somebody that I used to know  
Somebody, I (10)\_\_\_\_\_ to know  
Somebody, now you're just somebody that I used to know  
I used to know  
That I used to know  
I used to know  
Somebody

## Fill in the gaps

Answer

1. when
2. love
3. that
4. your
5. records
6. change
7. that
8. your
9. that
10. used
