Fill in the gaps

Love The Way You Lie by Eminem & Rihanna

Just gonna stand there and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there and hear me cry

But that's alright

Because I love the way you lie

I love the way you lie

I can't tell you what it really is

I can (1)_____ tell you what it feels like

And right now there's a steel knife

In my windpipe

I can't breathe

But I still fight

While I can fight

As long as the wrong feels right

It's like I'm in flight

High of a love

Drunk from the hate

It's (2)_____ I'm huffing paint

And I love it the more that I suffer

I sufficate

And right before I'm about to drown

She (3)_____ me

She fucking hates me

And I love it, wait

Where you going

I'm leaving you

No you ain't

Come back

Fill in the gaps

We're running right back

Here we go again

It's so insane

Cause (4)_____ it's going good

It's going great

I'm Superman

With the wind in his bag

She's Lois Lane

But when it's bad

It's awful

I feel so ashamed

I snap

Who's that dude

I don't even know his name

I laid hands on her

I'll never stoop so low again

I guess I don't know my own strength

Just gonna stand there and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there and hear me cry

But that's alright

Because I love the way you lie

I love the way you lie

I love the way you lie

You ever love somebody so much

You can barely breathe

When you're with them you meet

And neither one of you

Even know what hit 'em

Fill in the gaps

Got that warm fuzzy feeling

Yeah them chills

Used to get 'em

Now you're getting fucking sick

Of looking at 'em

You swore you've never hit 'em

Never do nothing to hurt 'em

Now you're in each other's face

Spewing venom and these words

When you spit 'em

You push, pull each other's hair

Scratch, claw, bit 'em

Throw 'em down

Pin 'em

So lost in the moments

When you're in 'em

It's the rage that took over

It controls you both

So they say it's best

To go your separate ways

Guess that they don't know ya

Cause today

That was yesterday

Yesterday is over

It's a different day

Sound like broken records

Playin' over

But you promised her

Next (5)_____ you'll (6)_____ restraint

You don't get another chance

Fill in the gaps

Life is no Nintendo game

But you lied again

Now you get to watch her leave

Out the window

Guess that's why they call it window pane

Just gonna stand there and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there and hear me cry

But that's alright

Because I love the way you lie

I love the way you lie

I love the way you lie

Now I know we said things

Did things

That we didn't mean

And we fall back

Into the same patterns

Same routine

But your temper's just as bad

As mine is

You're the (7)_____ as me

But when it comes to love

You're just as blinded

Baby please come back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

Fill in the gaps

When a tornado meets a volcano

All I know is

I love you too much

To walk away though

Come inside

Pick up your bags off the sidewalk

Don't you (8)_____ sincerity

In my voice (9)_____ I talk

Told you this is my fault

Look me in the eyeball

Next time I'm pissed

I'll aim my fist

At the dry wall

Next time

There will be no next time

I apologize

Even though I know it's lies

I'm tired of the games

I just want her back

I know I'm a liar

If she ever tries to fucking leave again

I'mma tie her to the bed

And set the house on fire

Just gonna stand there and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there and hear me cry

But that's alright

Because I love the way you lie

I love the way you lie

Fill in the gaps

I love the way you lie
