Our December by Thriving Ivory

I could see snow cover hills
You were walking, I was standing still
I (1)_____ feel the cold on my face
And we were talking like always
I could touch snow covered leaves
You (2)_____ walking closer to me
I would play you a song out loud
Yeah, we could sing it 'till the (3)_____ runs out
I remember streets covered white
And I remember a long tonight
Said our December will be (4)_____
(5)_____ light
And I see you walking to me
We were holding future in hand
A place to fly and a place to land
Now our December will be sure to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I could see (6)_____ covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember (7)_____ covered white
And I remember a long tonight
Said our December (8)_____ be littered with light
And I see you walking to me
I see you walking to me
