You've (5)_____ been to the place inside

When you step into the circle and shake like we do
And move! When you just can't take it and
Move! If you just (7)_____ like breaking it
Come near me, stop
Look, listen to my voice
If you're making the choice
Tell all the girls and the boys
Either scream or rejoice
Let's make that noise
Either move or we will all be destroyed
Back up and let go, if you've never been here
You've never been to the place inside
I face my fears, it (8)_____ everything I am
If you just move!
And show me what you can do
When you step into the circle and shake like we do

Move! If you just feel like breaking it
Move! And show me what you can do
When you step into the circle and shake (9)_____ we do
And move! When you just can't take it and
Move! If you just feel like breaking it
I come crashing to the floor
And I know there must be more like me
I've seen this all before
I can't carry this anymore
Break free
So breath, and leave
Until the storm is over
'Cause underneath
There's a diamond passin over
So breath, let's leave
Until the storm is over
Because I want to take you away
Move! And show me what you can do
When you step into the circle and shake like we do
And move! When you just can't take it and
Move! If you just feel like breaking it
Move! And show me what you can do
When you step into the circle and (10)_____ like we do
And move! When you just can't take it and
Move! If you just feel like breaking it
