Everything has changed by Taylor Swift

All I knew this morning when I woke is
I know something now, know something now I didn't before
And all I've seen (1)_____ 18 hours ago is
Green eyes and freckles and your (2)_____
In the back of my mind making me feel like
I just want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I just want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed
And all my walls
Stood tall painted blue
But I'll take them down, take them (3)_____
And open up the door for you
And all I feel in my stomach is butterflies
The beautiful kind making up for lost time
Taking flight, making me feel like
I just want to know you better, know you better
Know you better now
I (4)_____ want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I just want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed
Come back and (5)_____ me why I'm feeling like
I've missed you all this time
And meet me there tonight
And let me know that it's not all in my mind
I just want to know you better, know you better
Know you (6)_____ now
I just want to know you, know you, know you
Because all I know is we said hello
And your (7)_____ look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed
All I know is we said hello
So dust off your (8)_____ hopes
All I know is pouring rain
And everything has changed
All I know is a new found grace
All my days, I'll know your face
All I know (9)_____ yesterday is everything has changed
