Fill in the gaps

Six Feet Under The Stars by All Time Low

Time to lay claim to the evidence
Fingerprints sell me out
But our (1)_____ washed away
From the docks downtown
It's been getting late for days
And I feel myself deserving of
A little time off
We can kick it here for hours
And just mouth off about the world
And how we know it's going straight to hell
Pass me another bottle, honey
The Jaeger's so sweet
But if it keeps you around, then I'm down
Meet me on Thames Street
I'll take you out
Though I'm hardly worth your time
In the cold, you look so fierce
But I'm warming up
Because the tension's (2)_____ a fire
We'll hit
South Broadway in a matter of minutes
And like a bad movie, I'll drop a line
Fall in the grave I've been digging myself
But there's room for two
Six feet under the stars
I should have known better than to call you out
(On a night like this, a night like this)
If not for you, I know I'd tear (3)_____ place to the ground
(But I'm all right like this, all right like this)
I'm gonna (4)_____ the dice
Before you sober up and get gone
I'm always in over my head
Thames Street
I'll take you out
Though I'm (5)_____ (6)_____ your time
In the cold, you look so fierce
But I'm warming up
Because the tension's like a fire
We'll hit
South Broadway in a matter of minutes
And like a bad movie, I'll drop a line
Fall in the grave I've been (7)_____ myself
But there's room for two
Six feet under the stars
Time to lay claim to the evidence
Fingerprints sell me out
But our footprints washed away
I'm guilty, but I'm safe for one more day
Overdressed and underage
Do you really need see an ID?
This is embarrassing as hell
But I can cover for it so well
When we're six feet under the stars
Thames Street
I'll take you out
Though I'm (8)_____ worth your time
In the cold you look so fierce
But I'm warming up
Because the tension's like a fire
We'll hit
South Broadway in a matter of minutes
And like a bad movie, I'll drop a line
Fall in the grave I've been digging myself
But there's (9)_____ for two
Six feet under the stars
Six feet under the stars
Six feet (10)_____ the stars

Fill in the gaps

Answer

1. footprints
