Please Forgive Me by Bryan Adams

Still feels like our first night together

Feels like the first (1)_____ and it's gettin'

(2)_____ baby

No one can better this

Still holdin' on, you're still the one

First time our eyes met - the same feeling I get

Only feels much stronger - I wanna love you longer

You still turn the fire on

So if you're feelin' lonely don't

You're the only one I ever want

I only (3)_____ make it good

So if I love ya a little more (4)_____ I should

Please forgive me - I know not what I do

Please forgive me - I can't stop loving you

Don't deny me - this pain I'm going through

Please forgive me - if I need ya like I do

Please believe me - (5)_____ word I say is true

Please (6)_____ me - I can't stop loving you

Still (7)_____ like our best times are together

Feels like the first touch

We're still gettin' closer baby

Can't get close enough

I'm still holdin' on - you're still number one

I remember the smell of your skin

I remember everything

I remember all your moves - I remember you yeah

I remember the night - you know I still do

So if you're feelin' lonely don't

You're the only one I ever want

I only wanna make it good

So if I love you a little (8)_____ than I should

Please forgive me - I know not what I do

Please forgive me - I can't stop loving you

Don't deny me - this pain I'm going through

Please forgive me - if I need ya like I do

Oh believe me - every word I say is true

Please forgive me - I can't stop loving you

One thing I'm sure of - is the way we make love

The one thing I (9)_____ on

Is for us to stay strong

With every word and every breath I'm prayin'

That's why I'm sayin'

Please forgive me - I know not what I do

Please forgive me - I can't stop loving you

Don't deny me - this pain I'm going through

Please forgive me - if I need you like I do

Babe believe me - every word I say is true

Please forgive me - If I can't stop loving you

Never leave me - I don't know what I do

Please forgive me - I Can't stop loving you

Can't stop loving you

Fill in the gaps

Answer
