Fill in the gaps

Tears Always Win by Alicia Keys

Check it out
It feels kind crazy
These covers
May keep me (1)_____ at night
But they cant take (2)_____ place
'Cause they never gonna hold me tight
And these pillows
May let me rest my head
But (3)_____ cant say good night
And tuck me in before I go to bed
Say now baby girl you're better off
That's what I'm telling myself
...
But I'm lying to myself
'Cause I know I don't want nobody else
These lips are missing you
'Cause these lips ain't kissing you
These eyes put up a fight
But once again these tears always win
These arms are wanting you
'Cause these arms ain't holding you
These eyes put up a fight
But (4)_____ again these tears always win
These candles
Light up my room at night
But they can't lid the room the way you did
When you walked inside
Oh baby
If these walls could sing
About everything they've witnessed
Oh it'd be a sad sad song
And it'll probably sound something (5)_____ this
I say now baby girl you're better off
That's (6)_____ I'm telling myself
...
But I'm lying to myself
'Cause I know I don't want (7)_____ else
'Cause these lips are missing you (missing you)
'Cause these lips ain't kissing you (kissing you)
These eyes put up a fight
But once again these (8)_____ always win
These arms are wanting you (wanting you)
'Cause these arms ain't holding you (holding you)
These (9)_____ put up a fight
But once again these (10)_____ always win
Tell me when the hell this
Loneliness is gonna be over
(Gonna be over)
When everything in this room reminds me of you
(You)
Everytime I think, I'm getting closer
'Cause tears drown me out, once again I lose
'Cause these lips are missing you (missing you)
'Cause these lips ain't kissing you (kissing you)
I put up a fight
But once again these tears always win
Crying like
(Oh oh oh oh...)
These eyes put up a fight
But once again these tears always win
Crying like
(Oh oh oh oh...)
These eyes put up a fight
But once again these tears always win
These eyes put up a fight
But once again
These tears always win

Fill in the gaps

Answer

1. warm
