Fill in the gaps

Figure 8 by Ellie Goulding

Breathe your smoke (1)_____ my lungs
In the back of the car with you I stare into the sun
Still not too old to die young
The lovers hold on to everything
And others hold on to anything
I chased your love around a figure eight
I need you more (2)_____ I can take
You promised forever and a day
And then you take it all away
(Way, way, way)
And then you (3)_____ it all away
(Way, way, way, way)
Place a kiss on my cheekbone
Then you vanish me, I'm buried in the snow
But something tells me I'm not alone
But lovers hold on to everything
And others hold on to anything
I chased your love around a figure eight
I need you more than I can take
You promised forever and a day
And then you take it all away
(Way, way, way)
And then you take it all away
(Way, way, way, way, way)
So lovers hold on to everything
And others hold to anything
So lovers (4)_____ on to everything
And others hold to anything
I chased your love around a (5)_____ eight
I need you (6)_____ than I can take
You promised (7)_____ and a day
And then you take it all away
I (8)_____ your love around a (9)_____ eight
I need you more than I can take
You promised forever and a day
And (10)_____ you take it all away
(Way, way, way, way, way...)
And then you take it all away
(Way way, way, way)
