Fill in the gaps

Drop The World by Lil Wayne & Eminem

I got ice in my veins

Blood in my eyes

Hate in my heart

Love in my mind

I seen nights full of pain

Days of the same

You keep the sunshine

Save me the rain

I search but never find

Hurt but never cry

I work and forever try

But I'm cursed so never mine

And it's worse but better times

Seems further and beyond

The top gets higher the (1)_____ that I climb

The (2)_____ gets smaller and I get bigger

Tryna get me where I fit in

No room for a ***** but soon for a ***** it be on

********** cause

All this ******** have made me strong, **********

So I pick the world up and

I'ma drop it on your ******* head

Yeah, (3)_____ I'ma pick the world up and

I'ma drop it on your ******* head

Yeah, and I can die no rebirth now **********

Hop up in my spaceship and leave (4)_____ **********

I'm gone, **********

I'm gone

I know what they don't wanna tell you

Fill in the gaps

Just hope your heaven (5)_____ and ya hell proof

I'll wake up in the world and cut the lights off

And confidence is a stain they can't wipe off

(Uh) My word is my pride

But wisdom is bleak and thats a word from the wise

Served to survive, ****** and bribe

And when it got too heavy I put my burden aside

So I pick the world up and

I'ma drop it on your ******* head

(Haha! Yeah) *****

I'ma pick the world up and

I'ma drop it on your ******* head

Yeah, and I can die no rebirth now **********

Hop up in my spaceship and leave earth **********

I'm gone, **********

I'm gone

I'm gone

It hurts but never show

Its pain you'll never know

If only you can see just how lonely and how cold

And frostbit I've become

My back's against the wall

When push come to shove

I just stand up and scream **** em all

Man it feels like these walls are closing in

This roof is caving in

Oop its time to raise it then

Your days are numbered like pages in

My (6)_____ of rhymes got em cooking boy

This crooked mind of mine got em all shook and scared

Fill in the gaps

To look in my eyes

I stole that ******* clock, I took the time and I

Came up from behind

And pretty much snuck up and ****-******

This game up

Better be careful when you bring my name up

**** this fame that aint what

I came to claim, but the game ain't gonna be the same

On the day (7)_____ I leave it

But I swear one way or another

I'm gonna make these ******* haters believe that

I swear to God

Won't spare the rod, I'm a man of my word

So your ******* (8)_____ better nod

Or I'ma gonna **** around in (9)_____ *****

And roast everybody

Sleep on me that pillar is where your head'll lie

Permanetly ***** its beddy bye

This world is my easter egg, yeah, prepare to die

My head is swoll

My confidence is up

This stage is my pedastal

I'm unstoppable, The Incredible Hulk

You're trapped in my medicine ball

I can run circles around you so fast your

******* head'll spin dogg

I'll (10)_____ your cabbage and your lettuces and

Olives I'll *******

So I pick the world up and

I'ma drop it on your ******* head

Fill in the gaps

Yeah, ***** I'ma pick the world up and

I'ma drop it on your ******* head

Yeah, and I can die no rebirth now **********

Hop up in my spaceship and leave earth **********

I'm gone, **********

I'm gone

I'm gone
