

Inhale by Stone Sour

Fill in the gaps

Come one and all and see the broken man,
Talking to himself
He sits and waits for something better,
He'll never find it here
The people (1)_____ his hair
And (2)_____ his cheek, he can't even feel it
There it goes again, he's listening to someone
He hears the bitter laughter
And all he wants to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the inhale (3)_____ makes the exhale
so much better
He wipes his hands on anything in reach,
He never (4)_____ clean
He (5)_____ at night because his nerve is gone,
Every muscle hurts
Come one and all and see what happened,

That broken man is me
There it goes again, I can hear it louder
It doesn't feel good anymore
All I want to know is
Why, (6)_____ any of it matter? (I can't take it anymore)
You've (7)_____ try, the inhale that makes the exhale
so much better
Now I know I disappear
I can't find my way from out of here
Everything is fading on me
Someone tell me
Someone (8)_____ me
Someone tell me
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the (9)_____ that makes the
exhale so much better
Why? You've gotta try
