Colours by Grouplove

Yeah, I am a man, man, man, man
Up, up in the air
And I run around, around, around, around this town, town
And act like I don't care
So when you see me flying by the planet's moon
You don't need to explain if everything's changed
Just know I'm just like you
So I pull the switch
The switch, the switch inside my head
And I see black, black, green and brown
Brown, brown, brown and blue, yellow, violets, red
And suddenly a light appears inside my brain
And I think of my ways
I think of my days and know that I have changed
It's the colours you have
No need to be sad
It really ain't that bad
It's the colours you have
No need to be sad
You've still got your hands
So mistress, mistress have you been up to the roof?
He shot himself, self
There's (1)_____ on the wall
Because he couldn't face the truth

Leave the ground and find some space
And tell your friends, friends
You'll be back again, again
Before it's too late

It's the colours you have
No (2)_____ to be sad
It really ain't that bad
It's the colours you have
No (3)_____ to be sad
