Fill in the gaps

Our December by Thriving Ivory

I could see snow cover hills
You (1)_____ walking, I was (2)_____ still
I could feel the cold on my face
And we were talking like always
I could touch snow covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we could sing it 'till the year (3)_____ out
I remember (4)_____ covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were (5)_____ future in hand
A place to fly and a (6)_____ to land
Now our December will be sure to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight
Said our December (7)_____ be littered with light
And I see you walking to me
I could see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our (8)_____ (9)_____ be littered with light
And I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered (10)_____ light
And I see you walking to me
I see you walking to me
