November Rain by Guns N' Roses

When I look into your eyes I can see a love restrained But darlin' when I hold you Don't you know I feel the same 'Cause nothin' lasts forever And we
(1)_____ know hearts can change And it's hard to (2)_____ a candle In the cold (3)_____ rain We've been through this Such
a long long time Just tryin' to kill the pain Yeahh.. But lovers always come And lovers always go And no one's really sure Who's lettin' go today
Walking away If we could take the time To lay it on the line I could rest my head Just knowin' that you were mine All mine So if you want to love me
Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need some time All alone
Everybody needs (4)_____ time On their own Don't you know you need some time All alone I know it's hard to keep an open heart When even
friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to charm you Sometimes I need some (5)_____ On my
own Sometimes I need (6)_____ time All alone Everybody needs some time On their own Don't you (7)_____ you need some time All alone
And when your fears (8)_____ And shadows still (9)_____ I know that you can love me When there's no one left to blame So
never mind the darkness We still can find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you Need somebody Don't ya

Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya (10)_____ that
you Need somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya
