## Back To Black by Amy Winehouse

He (1) no (2) to regret, kept his **** wet						
With his same old (3) bet						
Me and my head high and my tears dry						
Get on without my guy						
You went back to (4) you knew so far removed						
From all (5) we went through						
And I (6) a troubled track, my (7) are						
stacked						
I'll go back to black						
We (8) said (9) (10)						
words						
I (11) a hundred times						
You go back to her						
And I go (12) to, I go back to us						
I love you much, it's not enough						
You love (13) and I love puff						
And (14) is like a pipe						
And I'm a tiny penny rolling up the walls inside						
We only said goodbye (15) words						
I died a hundred times						
You go back to her						
And I go back to						

I (17) a hundred times You go (18) to her And I go back to Black, black, black Black, black, black I go back to I go (19) to We only said (20) with word I died a (21) times You go back to her And I go back to We only said goodbye with words I (22) a hundred times You go (23) to her	We only said goodbye	(16)		words
