

Fill in the gaps

Nothing Else Matters by Metallica

So close no matter how far
couldn't be much more (1)_____ the heart
forever (2)_____ who we are
and nothing (3)_____ matters
never opened myself this way
life is ours, we live it our way
all these words I don't just say
and nothing else matters
trust I seek and I find in you
every day for us something new
open mind for a different view
and nothing else matters
never cared for what they do
never cared for what they know
but I know
so close no matter how far
couldn't be much more from the heart
forever trusting who we are
and (4)_____ else matters
never cared for (5)_____ they do
never cared for what they know

but I know
never opened (6)_____ this way
life is ours, we live it our way
all these (7)_____ I don't just say
trust I seek and I find in you
every day for us something new
open mind for a different view
and nothing else matters
never (8)_____ for what they say
never cared for games they play
never cared for what they do
never cared for what they know
and I know
so close no matter how far
couldn't be (9)_____ more from the heart
forever trusting who we are
no (10)_____ else matters
