Spaceman by The Killers

It started with a low light
Next thing I knew they (1)_____ me from my bed
And then they took my (2)_____ type
They (3)_____ a (4)_____ impression in my head
You (5)_____ that I was hoping
That I could leave this star-crossed (6)_____ behind
But (7)_____ they cut me open
I guess I (8)_____ my mind
And you know I might
Have just flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
Well now I'm back at home and
I'm (9)_____ forward to this life I live
You know it's (10)_____ haunt me
So (11)_____ to (12)_____ life I give
You think you might cross over
You caught between the (13)_____ and the deep
(14)_____ sea
You (15)_____ look it over
Before you make that leap
And you know I'm (16)_____ but I hear those voices at night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star (17)_____ says it ain't so bad
The (18)_____ maker's gonna (19)_____ you mad
The spaceman says (20)_____ look down
It's all in your mind
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says (21)_____ look down
Its all in your mind
My global (22)_____ systems are
(23)_____ addressed
They say the (24)_____ used to run from east to west
They say the Nile used to run from (25)_____ to west
I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
The star maker (26)_____ It ain't so bad
The dream maker's (27)_____ make you mad
The spaceman says (28)_____ look down
It's all in your mind
It's all in my mind
It's all in my mind...
