

Where The Streets Have No Name (Live) by U2

How (1) the sound I go there with you That saved It's all I can do A wretch The city's a flood Like me And our love turns to rust I once We're beaten and blown by the wind Was lost Trampled in dust Though now I'll show you a place I'm found It's high I was blind High But now Where the streets have no I see Name I vas blind Where the streets have no name But now Where the streets have no name I see We're still building and burning down love Burning (7) love (Come on, come on) And (8) I go there I (2) run I go there with you (to other place) I wanna tear down the walls That hold me inside Love, love, love I wanna reach out Only love And (3) the flame Where the streets have no name Where the streets have no name Where the streets have no name I wanna feel Suring (9)	Amazing grace	And when I go there
A wretch The city's a flood Like me And our love turns to rust I once We're beaten and blown by the wind Was lost Trampled in dust Though now I'll show you a place I'm found It's high I was blind High But now Where the streets have no I was blind Where the streets have no name But now Where the streets have no name But now Where the (6) have no name I see We're still building and burning down love Burning (7) love (Come on, come on) And (8) I go there I (2) run I go there with you (to other place) I wanna tear down the walls That hold me inside Love, love, love I wanna reach out Only love And (3) the flame Where the streets have no name Where the streets have no name Where the streets have no name I wanna feel Where the streets have no name Sungint on my face Burning (9) love Sungint on my face I go there I wanna f	How (1) the sound	I go there with you
