

I'm lyin' here
On the floor where you left me
I think I took too much
I'm crying here
What have you done?
I thought it (1) be fun
I can't stay on your life support
There's a shortage in the switch
I can't stay on your morphine
'Cause it's (2) me itch
I said I tried to call the nurse again
But she's being a little bitch
I think I'll get (3) here
Where I can run?
Just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear
You're just like a pill
Instead of makin' me better
You keep makin' me ill
You keep makin' me ill
I haven't moved from the spot where you left me
I haven't moved from the spot where you left me This must be a bad trip
This must be a bad trip
This must be a bad trip  All of the other pills, they (4) different
This must be a bad trip  All of the other pills, they (4) different  Maybe I should get some help
