We're (4) right back [Eminem]
Here we go again, it's so insane Now I (8) we said things
Cause when it's going good it's going great Did things that we didn't mean
I'm superman with the wind at his back, she's Lois Lane And we fall back into the same patterns, same routine
But when it's bad it's awful I (5) so ashamed, I But your temper is just as bad is mine is
snapped You're the same as me
Who's that dude I don't even know his name When it comes to love you're just as blinded
I laid hands on her, I'll never stoop so low again Baby, please come back it wasn't you maybe it was me
I guess I don't know my own strength Maybe our relationship isn't as crazy as it seems
[Rihanna] Maybe that's what happens when a tornado meets a valcano
Just gonna (6) there and watch me burn All I know is I love you too much to walk away though
Well that's alright because I like the way it hurts Come inside, pick up your bags off the sidewalk
Just gonna stand there and hear me cry Don't you hear sincerity in my voice when I talk?
Well that's alright because I love the way you lie Told you this is my fault, look in the eyeball
I love the way you lie, I love the way you lie Next time I'm pissed I'll aim my fist at the drywall
[Eminem] Next time, there won't be no next time
You ever love somebody so much I apologize even though I know it's lies
You can barely breathe when you're with 'em I'm tired of the games I just want her back
You meet and neither one of you even know what hit 'em I know I'm a liar if she ever tries to fucking leave again
Got that warm fuzzy feeling I'mma tie her to the bed and set this house on fire
Yeah them chills used to get 'em [Rihanna]
Now you're getting fucking sick at lookin at 'em Just gonna stand there and watch me burn
You swore you'd never hit 'em Well that's (9) because I like the way it
Never do nothing to hurt 'em hurts
Now you're in each others face Just gonna (10) there and hear me cry
Spewing venom in your words when you spit 'em Well that's alright because I love the way you lie
You push, pull each other's hair, scratch, claw I love the way you lie, I love the way you lie
Bit 'em, throw 'em down, pin 'em
