## Sleep Alone by Two Door Cinema Club

Know	That they're just ghosts
My only goal is to see	And they can't hurt him
When I'm only fast asleep	If he can't see them (oh oh oh)
It takes more (1) strength	And I may go
To find	To places I have never been to (6) to find
This (2) of mind	The deepest desires in my mind
So I'll hold, hold, hold it close	
To my heart beating with every step	It's in my head, and I have said
Hold, hold it close	That I must be like him now
He sleeps alone	He sleeps alone
He needs no army	He sleeps alone
Where he's headed 'cause he knows	
That they're just ghosts	One last (7) to (8) sense
And they can't hurt him	Of what is long escaped us
If he can't see them (oh oh oh)	He (9) alone
And I may go	l sleep alone
To places I (3) (4) been to just to find	He sleeps alone
