

Fill in the gaps

Every Single Night by Fiona Apple

Every (1)_____ night, I endure the flight
Of little (2)_____ of white-flamed butterflies in my brain
These (3)_____ of mine percolate the mind
Trickle (4)_____ the spine
Swarm the belly, swelling to a blaze
That's (5)_____ the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I (6)_____ to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If (7)_____ I am is (8)_____ I am, 'cause I
(9)_____ what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a (10)_____ for us (11)_____ to
choke on

Every single night's a (12)_____ with my brain
I (13)_____ want to feel everything
I just (14)_____ to (15)_____ everything
I just want to feel everything
So I'm (16)_____ try to be still now
Gonna renounce the mill a (17)_____
(18)_____ and
If we had a double king (19)_____ bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my (20)_____ just
(21)_____ open
My heart's made of parts of all that's around me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And every (22)_____ fight's alright with my brain
I just want to feel everything
I (23)_____ want to (24)_____ everything
I just want to feel everything
I just (25)_____ to (26)_____ everything
