# Can't Hold Us Down by Christina Aguilera & Lil' Kim

So what am I not supposed to (1) an opinion
Should I be quiet just because I'm a woman
Call me a bitch cause I speak what's on my mind
Guess it's easier for you to swallow if I sat and smiled
When a female fires back
Suddenly big (2) don't know how to act
So he does (3) any little boy will do
Making up a few false rumors or two
That for sure is not a man to me
Slanderin' names for popularity
It's sad you only get your (4) through controversy
But now it's time for me
To come and give you more to say
This is for my (5) all around the world
Who've come across a man
That don't respect your worth
Thinking all (6) should be seen, not heard
So what do we do girls?
Shout louder!
Letting them know we're gonna (7) our ground
Lift your (8) high and wave them proud
Take a deep breath and say it loud
Never can, never will, can't hold us down
Nobody can hold us down
Nobody can hold us down
Nobody can hold us down
Never can, never will
So what am I not supposed to say

What I'm saying
