

## Fill in the gaps

### Uncharted by Sara Bareilles

...

No words

But tears won't make any room for more, and it

Don't hurt

Like anything I've ever felt before, this is

No broken heart

No familiar scars

This territory goes uncharted

Just me

In a room sunk (1)\_\_\_\_\_ in a house in a town, and I

Don't breathe

Though I (2)\_\_\_\_\_ meant to let it get away from me

Now I've

Too (3)\_\_\_\_\_ to hold

Everybody has to

Get their hands on gold

And I (4)\_\_\_\_\_ uncharted

Stuck under the ceiling I made

I can't help but feeling

I'm going down

Follow if you wanna

Won't just hang around

Like you'll show me where to go

I'm already out

Of (5)\_\_\_\_\_ ideas

So don't ask me how

To get started

It's all uncharted

...

Each day

I'm counting up the (6)\_\_\_\_\_ 'till I get alone

'Cause I can't stay

In the middle of it all

It's nobody's fault but I'm

So low

Never knew how much I didn't know

Oh, everything is uncharted

I (7)\_\_\_\_\_ I'm getting nowhere

When I only sit and stare, like

I'm (8)\_\_\_\_\_ down

Follow if you wanna, won't (9)\_\_\_\_\_ hang around

Like you'll show me where to go

I'm already out

Of foolproof ideas

So don't ask me how

To get started

It's all uncharted

Jumpstart my kaleidoscope heart

Love to watch the colors fade

They may not make sense

But they sure as hell made me

I won't go as a passenger, no

Waiting for the road to be laid

Though I may be going down

I'll (10)\_\_\_\_\_ in flame

Over burning out

Compare

Where you are to where you wanna be

And you'll get

Nowhere

I'm going down

Follow if you wanna, won't just hang around

Like you'll show me where to go

I'm already out

Of foolproof ideas

So don't ask me how

To get started, oh

I'm going down

Follow if you wanna

Won't just hang around

Like you'll show me where to go

I'm already out

Of foolproof ideas

So don't ask me how

To get started

It's all uncharted

...

## Fill in the gaps

Answer

1. down
2. never
3. much
4. want
5. foolproof
6. minutes
7. know
8. going
9. just
10. take
