## Head Over Feet by Alanis Morissette

## Fill in the gaps

You are the (3)

I had no choice but to hear you You stated your case time and again I thought about it You treat me like I'm a princess I'm not used to liking that You ask how my day was You've already won me over in spite of me And don't be alarmed if I fall head over feet Don't be surprised if I love you for all (1)\_\_\_\_\_ \_ you are I couldn't help it It's all your fault Your love is (2)\_ \_\_\_ and it swallowed me whole

| You are the (3)                                       | of unconditional things    |
|---|----------------------------|
| You held (4)  | breath and the door for me |
| Thanks for your patience                              | e                          |
| You're the best listener                              | (5) I've ever met          |
| You're my best friend                                 |                            |
| Best friend with benefits                             | 3                          |
| What took me so long                                  |                            |
| I've never (6)  | this (7) before            |
| I've never wanted some                                | ething rational            |
| And I am aware now                                    |                            |
| I am aware now  |                            |
| You've (8)  | won me over in spite of me |
| And don't be alarmed if I fall head over feet         |                            |
| Don't be surprised if I love you for all that you are |                            |
| I couldn't help it                                    |                            |
| It's all (9) fau                                      | ult                        |
|   |                            |

You're so much braver than I gave you credit for

You've already won me over in spite of me And don't be alarmed if I fall head over feet Don't be surprised if I love you for all that you are

It's all your fault

That's not lip service

- 1. that
- 2. thick
- 3. bearer
- 4. your
- 5. that
- 6. felt
- 7. healthy
- 8. already
- 9. your
