So Far Away by Dire Straits

Fill in the gaps

Here I am again in this (1) old town
And you're so far away from me
And where are you (2) the sun go down
You're so far away from me
So far away from me
So far I just can't see
So far (3) from me
You're so far away from me
I'm tired of being in love and being all alone
When you're so far away from me
I'm tired of making out on the telephone
When you're so far away from me
So far away (4) me
So far I just can't see
So far (5) me
So far (5) me You're so far (7) from me
You're so far (7) from me
You're so far (7) from me And I get so tired when I have to explain
You're so far (7) from me And I get so tired when I have to explain When you're so far away from me
You're so far (7) from me And I get so tired when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain
You're so far (7) from me And I get so tired when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far away (8) me
You're so far (7) from me And I get so tired when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far away (8) me So far away from me
You're so far (7) from me And I get so tired when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far away (8) me So far away from me So far I just can't see
You're so far (7) from me And I get so tired when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far away (8) me So far away from me So far I just can't see So far away from me
You're so far (7) from me And I get so tired when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far away (8) me So far away from me So far I just can't see So far away from me You're so far away from me
You're so far (7) from me And I get so tired when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far away (8) me So far away from me So far I just can't see So far away from me You're so far away from me So far away from me
