

Fill in the gaps

Candles by Daughter

That boy, take me away, (1)_____ the night
Out of the hum of the street lights and (2)_____ a forest
I'll do whatever you say to me in the dark
Scared I'll be (3)_____ apart by a wolf in mask of a
familiar name on a (4)_____ card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I (5)_____
the night
Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, (6)_____ in silence
Wide-eyed, like we're in a crime scene
Well I (7)_____ brittle bones it seems
I bite my tongue and (8)_____ my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we learn (9)_____ the times
we are cursed
Things cannot be reversed, (10)_____ (11)_____
the ones we fear the worst
And learn (12)_____ the ones we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he (13)_____ to me so I
stay the night

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, (14)_____ in silence
Wide-eyed
Cause we both know I'll never be your lover
I (15)_____ bring the heat
Company under cover
Filling space in (16)_____ sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling (17)_____ in (18)_____ sheets, in your
sheets
So, please just blow out all the candles, blow out all the
candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young heart confusing my mind, but we're
(19)_____ in silence
Wide-eyed, (20)_____ in silence
Wide-eyed, (21)_____ we're in a (22)_____
scene.
