

Fill in the gaps

This Game Is Over by Alejandro Sanz & Emeli Sandé © & Jamie Foxx

When visions and sick precisions awaiting at night

I (1)_____ you'll be (2)_____ soon

That you're (3)_____ me right

Hating me, right, waiting me, right

Just caught with the fire, call me a liar

On this (4)_____ part about desire

Seasons sighing, sighing, all predicting the end

Going for the dim martyrs

They were (5)_____ amen

Spraying and swinging with automatics

Got the mics erratic

It look so static, it's all dark as an attic

He knew without you

(No debería aparecer ahora)

(No (6)_____ (7)_____ así)

(No debería (8)_____ que te enamoras)

(No deberías (9)_____ así)

(Tú no deberías estar en mi persona)

(A veces (10)_____ que no debo)

(Y a veces sueño con tenerte)

If only (11)_____ could go slower

If (12)_____ space could bring us closer

If we could be more than just lovers

If you (13)_____ (14)_____ our

(15)_____ is not strong

This game is over

This game is over

Never had to doubt you

But these (16)_____ were inflicted

Perusing (17)_____ soon

But recollections still restricted

My mind (18)_____ and talks, smoke

Some fire and brimstone

Telling me we had our fun

But it's over in dim tones

And all our sins showing

In the (19)_____ of the moment

So potent till the goading

Get going and now is growing

And you rolling and throttling, falling like roses

Swollen and growing in the blast

The (20)_____ (21)_____ dishonor to close up
my past

(No debería aparecer ahora)

(No (22)_____ mirarme así)

(No deberías tentar a la suerte)

(A (23)_____ creo que no debo)

(Y a veces sueño con tenerte)

If only time (24)_____ go slower

If only (25)_____ could bring us closer

If we could be more than just lovers

If you believe our love goes strong

If (26)_____ time could go slower

If only space could bring us closer

If we could be (27)_____ (28)_____ just lovers...

If you believe that our love is not strong

This game is over

(Ohhh)

This game is over

This game is over

Fill in the gaps

Answer

1. guess
