Eye to eye stand winners and losers	Sweet little death
Hurt by envy	Just have (4)
Cut by greed	Some memories
Face to face (1) their own disillusions	Gone by times
The (2) of old romances still on their cheeks	Will still recall the
And when blow by blow	The first cut won't
The passion dies	The second only
Sweet little death	The third will have
Just have been lies some memories of	You start bleeding
Gone by times	The first cut won't
Would still recall the lie	The second only
The first cut won't hurt at all	The third will have
The second only makes you wonder	You start bleeding
The third will have you	The first cut won't
On your knees	The second only
You start bleeding I start screaming	The third will have
It's too late the decision is made by fate	You start (7)
Time to prove what forever should last	The (8)
Whose feelings are so true	The (10)
As to stand the test	The third will have
Whose (3) are so strong	You start bleeding
As to parry all attempts	
And when blow by blow	
The passion dies
