

I wanna heal

## Somewhere I Belong by Linkin Park

(When this began)	I wanna feel
I had nothing to say	What I thought was never real
And I'd get lost in the nothingness inside of me	I wanna let go of the pain I've felt so long
(I was confused)	(Erase all the pain till it's gone)
And I let it all out to find	I wanna heal
That I'm not the only person with (1) things in	l wanna feel
mind	Like I'm close to something real
(Inside of me)	I wanna find something I've wanted all along
But all that (2) can see the words revealed	Somewhere I belong
Is the only real thing that I've got left to feel	I will never know
(Nothing to lose)	Myself until I do this on my own
Just stuck, hollow and alone	And I will never feel
And the fault is my own	Anything else (7) my wounds are healed
And the fault is my own	I will never be
I wanna heal	Anything till I break away from me
I wanna feel	I will break away
What I thought was never real	I'll find myself today
I wanna let go of the pain I've felt so long	l wanna heal
(Erase all the pain till it's gone)	l wanna feel
I wanna to heal	What I thought was never real
I wanna to feel	I wanna let go of the pain I've felt so long
Like I'm (3) to something real	(Erase all the pain till it's gone)
I (4) find (5) I've wanted	l wanna heal
all along	I wanna feel
Somewhere I belong	Like I'm close to (8) real
And I've got nothing to say	I wanna find something I've wanted all along
I can't (6) I didn't fall right down on my face	Somewhere I belong
(I was confused)	l wanna heal
Looking everywhere only to find	I (9) feel like I am
That it's not the way I had imagined it all in my mind	Somewhere I belong
(So what am I)	l wanna heal
What do I have but negativity	I (10) feel like I am
'Cause I can't justify way everyone is looking at me	Somewhere I belong
(Nothing to lose)	Somewhere I belong
Nothing to gain, hollow and alone	
And the fault is my own	
And the fault is my own
