

## Fill in the gaps

### Sleeping In The Fire by Wasp

Touch, (1)\_\_\_\_\_ in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the candle light

See in the (2)\_\_\_\_\_ of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's (3)\_\_\_\_\_ that makes you numb

The (4)\_\_\_\_\_ and all the pain are one

You're (5)\_\_\_\_\_ in the fire

Taste the love

The Lucifer's (6)\_\_\_\_\_ that makes you numb

You feel what it does and you're drunk on love

You're sleeping in the fire

I gaze at the flame and (7)\_\_\_\_\_ burn

And cry out the (8)\_\_\_\_\_ of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that makes you numb

The (9)\_\_\_\_\_ and all the pain are one

You're sleeping in the fire
