

Fill in the gaps

Over Again by One Direction

Said I'd never leave her
'Cause her hands fit like my t-shirt
Tongue tied over three words, cursed
Running over thoughts (1)_____ make my feet hurt
Bodies intertwined with her lips
Now she's feeling so low since she went solo
Hole in the middle of my heart like a polo
And it's no joke to me
So can we do it all (2)_____ again
If you're pretending from the start like this
With a tight grip, (3)_____ my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again
Can we take the same road
Two days in the same clothes
And I know just what she'll say
If I make all this pain go
Can we stop this for a minute
You know
I can tell that your heart isn't in it or with it
Tell me with your mind, body and spirit
I can make your tears fall down
Like the showers that are British
Whether (4)_____ together or apart
We can both remove the masks
And admit we regret it from the start

If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again
You'll never know how to make it on your own
And you'll never show (5)_____ for
(6)_____ go
I guess you're still hurt if this seed's sown
But do you really wanna be alone?
If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I (7)_____ miss everything you said to me
And I can lend you broken parts
That might fit (8)_____ this
And I will give you all my heart
So we can start it all over again
If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can (9)_____ it all over again

Fill in the gaps

Answer

1. that
2. over
3. then
4. we're
5. weakness
6. letting
7. might
8. like
9. start
