

Fill in the gaps

93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in (1)_____ you're gonna go far
If you do it right, you'll love where you are
Just know, wherever you go
You can always come home...
240 thousand miles (2)_____ the moon
We've (3)_____ a (4)_____ way to belong here
To share (5)_____ view of the night
A glorious night
Over the (6)_____ is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may (7)_____ dark
But the absence of the light is a necessary part
Just know, you're never alone
You can always come back home...
Home

Home
You can always come back
Every road is a slippery slope
But there is always a hand that you can hold on to
Looking (8)_____ through the telescope
You can see (9)_____ your home's inside of you
Just know
That wherever you go
No, you're never alone
You will always get (10)_____ home....
...
Home
Home
...
93 million miles from the sun
People get ready, get ready
'Cause here it comes
It's a light, a beautiful light
Over the horizon
Into our eyes

Fill in the gaps

Answer

1. life
2. from
3. come
