

Fill in the gaps

5 Years Time by Noah and the Whale

well in five years time we could be walking round the zoo	And it if de love, love, love, all over her face
With the sun shining down over me and you	And love, love, love, all over mine
And there'll be love in the bodies of the elephant's too	And though merely all these moments
I'll put my (1) over your eyes, but you peek	Are (4) in my head
through	I'll be (5) about them as I'm lying in bed
And there'll be sun, sun, sun	And I know (6) it merely, they (7) not
All over our bodies, and sun, sun, sun	even come true
All down our necks there'll be sun, sun, sun	But in my mind I'm (8) a pretty good time with
All over our faces and sun, sun, sun	you
So, what the heck	Oh in five years time
'cause I'll be laughing at your silly little jokes	I might not (9) you
And we'll be laughing about how we used to smoke	In five years time
All those stupid little cigarretes and drink stupid wine	We might not speak
'Cause it's what we needed to have a good time	In five years time
But it was fun, fun, fun	We might not get along
When we were drinking, it was fun, fun, fun	In five years time
When we were drunk and it was fun, fun, fun	You might (10) prove me wrong
When we were laughing, it was fun, fun, fun	Oh there'll be love, love
Oh, it was fun	Wherever you go there'll be love, love, love
Oh, well I'll look at you and say	Wherever you go there'll be love, love, love
It's the happiest that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I have to be James Dean	Wherever you go there'll be love, love, love
And she'll say, yeah well I feel all pretty (2) too	Wherever you go there'll be love, love, love
And I'm always pretty happy	Wherever you go there'll be love, love, love
When I'm just kicking back with you	Wherever you go there'll be love, love, love
And it'll be love, love, love, all (3) our	Wherever you go there'll be love
bodies	
And love, love, love, all through our minds	

- 1. hands
- 2. happy
- 3. through
- 4. just
- 5. thinking
- 6. that
- 7. might
- 8. having
- 9. know
- 10. just
