

Fill in the gaps

I (1) on so nervously
To me and my drink
I (2) it was (3) me
But so far has not been good
It's been ()
And I feel awkward as I should
This (4) has got to be
The most pretentious thing
Since I thought you and me
Well, I am imagining
A dark lit place
Or your place or my place
Well I'm not paralyzed but I seem to be struck by you
I wanna make you move
Because you're standing still
If your body matches what your (5) can do
You'll probably move right through
Me on my way to you
I hold out for one more drink
Before I think
I'm looking too desperately
But so far has not been fun
I should just stay home
If one (6) really means one
This (7) (8) hopefully
Be closed in three weeks
That would be cool with me

Well, I'm (9) imagining
A (10) (11) place
Or your place or my place
Well I'm not paralyzed but I seem to be struck by you
l wanna make you move
Because you're (12) still
If your (13) matches (14) your
(15) can do
You'll (16) move (17)
through
Me on my way to you
Well I'm not paralyzed but I (18) to be struck by
you
I wanna (19) you move
Because you're standing still
If your body matches what your eyes can do
You'll probably move right through
Me on my way to you
Not paralyzed but I seem to be struck by you
I (20) make you move
Because you're standing still
If your body matches (21) your eyes can do
You'll probably move right through
Me on my way to you
You'll probably move (22) through
Me on my way to you
You'll (23) move (24)
through
Me on my way to you
