

## Fill in the gaps

### Across The Universe Of Time (Live) by Hayley Westenra

When the sea falls from the shore

As the light (1)\_\_\_\_\_ low, will I see you any more?

As the (2)\_\_\_\_\_ falls from the sky

Can I bring you back, from a distant lullaby?

Show me your vision, the story begun

Two lights are rising and burning as one

In the deep blue of the night

Shine the millions of stars and my spirit burning bright

Spinning on, into the sun

Flying higher now my journey's begun

And the cold, cold wind, it blows me away

The feeling all (3)\_\_\_\_\_ is a black, black day

But I know that I'll see you again

And I know that you're near me

There's a star, calling my name

It's echo is true and the song is not the same

Take my hand and (4)\_\_\_\_\_ me away

Bring me back to you in your arms I'm going to stay

Tell me (5)\_\_\_\_\_ vision, the story begun

Two (6)\_\_\_\_\_ are rising and (7)\_\_\_\_\_ as one

All (8)\_\_\_\_\_ years drifting in space

I have known you well, yet I've never seen (9)\_\_\_\_\_ face

You turn around, looking at me

Laughter in your eyes and now I can see

And the cold, (10)\_\_\_\_\_ wind, it blows me away

The feeling all over is a black, black day

But I know that I'll see you again

And I know that you're near me

## Fill in the gaps

Answer

1. sinks
2. rain
3. over
4. lead
5. your
6. lights
7. burning
8. those
9. your
10. cold
