The Hardest Thing by Tyler Ward

Of you and me togetherJust turn aroundIs all I have of me and you anymoreCome back because your smile is overdueWe were so in love and we thought itAnd I missLast foreverI miss youBut in the stormI miss youWe were tornAnd things I hidAnd I won't forget youI'm finally over meDon't regret youIs that too late for you?The (1) thing in fact I do is (2)I can't imagine where I'd bewithout youIf you had never rescued meAnd I wonder why we both (3) awayYou gave me hope to liveI'm lost without you, still crazy for youNow I need youJust turn around'Cause I need youCome back because your smile is overdueAnd I won't forget youAnd I missDon't regret you

Come back because your smile is overdueAnd I won't forget youAnd I missDon't regret you
And I miss Don't regret you
I miss you But the hardest (9) I've had to do
If I'd only knew the words to say Is live without you
That would make you turn around And I wonder why we both walked away
I'd say the words to you I'm lost without you, still crazy for you
More than a million times Just turn around
It's (4) forever, but Come back because your smile is overdue
Hasn't changed (5) you mean to me And I miss
Darling can't you see? I miss you
That I won't forget you
Don't (6) you
