

Shadows all that remain

Fill in the gaps

Until My Last Breath by Tarja Turunen

Cannot cry it loud enough		Wishes slowly (7) over
I'm giving up this ghost		In this parade of pain
How can I still justify		Until my (8) breath
When you deny my voice		You'll never know
In (1) nothing I'm not allowed		Until you feel the silence
l just (2) alone		When I am gone
Words as weapons without a sound		Now it's vanishing
Echoes dying unborn		Everything
Until my (3)	breath	What we might have been
You'll (4)	know	Only now your prays
Until you feel the silence		Call my name
When I am gone		But you won't see again
Now it's vanishing		Until my last breath
Everything		You'll never know
What we might have been		Until you feel the silence
Only now your prays		When I am gone
Call my name		Now it's vanishing
But you won't see again		Everything
Who can (5)	this memory?	What we might (9) been
Inside it needs to burn		Only now your prays
Worship by the enemy		Call my name
The guilty (6) their turns		But you won't see again
Watching as it's disappearing
